

Sick Leave Conversion

Sick leave conversion **only** applies to state of Alabama employees and employees of public agencies that elected to adopt this provision.

An ERS member may convert unused sick leave toward meeting the minimum service requirement for retirement eligibility instead of receiving any payment the member may be entitled to receive. The converted sick leave will be used in calculating the retirement benefit.

The following chart is used by the ERS to convert accumulated sick leave days to months of service credit upon service retirement. The employing agency determines the maximum days that may be converted.

Members cannot convert unused sick leave to retirement credit in order to meet the 10 year vesting requirement.
